Ich wünsche Dir
viel Erfolg und
Spaß im neuen
Job. Alles Gute!
-Ralph

You joined the team in interesting times and your contribution to the semantic team was significant - together we managed to build a great product so I wish you even greater success in your next opportunity!
Thank you and...

may the Machine Learning be with you!

Plamen

Dear Johannes,
This has been a pleasure working with you at Prooms.
Unfortunately it is time to say goodbye. Life is moving on and
it is a story, life is moving on and looks like a big change a-
new job, new property of life. Starting a-
chapter in your life be filled with satisfaction and success.
Thank you again and hope to see you again and someday.

Nikola!

roxie Punkt. ☺
Thank you for everything, Johannes! I've learnt a lot from you!

Wish you all the best both in life and your next challenge!

Lubo

Dear Johannes, it was a pleasure working with you! I thoroughly enjoyed our talks and will definitely miss them. I wish you all the best & hope you'll have a great start into your new job! Best, I optimist

PS.: Let us know when you are in Frankfurt ☺
